

Evaluators: How to access teacher growth data in EPSS

Growth data can be accessed through the EPSS link in your RIDemap account. The directions below explain the process for how to access growth data for teachers on your caseload.

- Under the **My Caseload** Tab will be the file **Growth Summary Information**. Click the file to open.

- The screen below will appear. Information for teachers on your caseload can be accessed by clicking **Show Summary** or **Download CSV**. Only teachers on your caseload will be visible to you on this report. The report will feature the **Cohort Growth Median** for teachers on your caseload. You will also be able to click a hyperlink for each teacher that will show the **Student Growth Percentiles** upon which that teacher's median SGP is based.

Growth Information Summary Report
On this screen you can see Cohort Growth Medians for all teachers on your caseload. Please note that Cohort Growth Medians will not be factored into Final Effectiveness Ratings for the 2013-2014 school year. However, this data can and should be used for informational purposes to improve teaching and learning. For more information and resources that can help build understanding of the Rhode Island Growth Model, please visit www.RIDE.RI.gov/RIGM.
